PRODUCT DESCRIPTION

NITO Foam Sprayer NITO Ergo including Spray Lance, 1.4 Liters, White – Ergonomic and Efficient Foam Application

At NITO, we offer the NITO Foam Sprayer NITO Ergo with spray lance and a practical 1.4-liter capacity in an elegant white color. This foam sprayer is designed with a focus on both efficiency and comfort, making it ideal for all types of foam application in industrial, commercial, and private cleaning tasks. The perfect solution when you need precise and evenly distributed foam layers for cleaning.

Ergonomic Design for Increased Comfort

One of the outstanding features of the NITO Foam Sprayer NITO Ergo is its ergonomic design. It is equipped with a comfortable handle that allows you to work longer without straining your hands or wrists. Whether you are performing a short cleaning task or a long-term project, you can rely on this foam sprayer to provide both comfort and control.

Efficient Foam Application with Spray Lance

With the included spray lance, you can precisely control the spray intensity and reach, making it possible to apply an even layer of foam on all desired surfaces. The 1.4-liter container is ideal for quickly spreading cleaning foam over both small and large areas, making the work easier and faster. Whether you work in swimming pools, slaughterhouses, or on technical installations, this foam sprayer is a reliable tool.

Durable and Long-Lasting Quality

The NITO Foam Sprayer NITO Ergo is built to withstand even the most demanding working conditions. It is made from high-quality materials that ensure both long durability and reliability in daily use. This foam sprayer is perfect for use with professional cleaning agents and in challenging environments where durability and reliability are essential.

Easy Filling and Clear Usage

The transparent container makes it easy to monitor the liquid level, so you can quickly refill when needed. This makes the work even more efficient as you always have control over how much foam is left.

NITO – Your Reliable Partner

When you choose the NITO Foam Sprayer NITO Ergo including spray lance, 1.4 liters, white, you get more than just a foam sprayer—you get a tool designed to make your foam application easier and more efficient. At NITO, we take pride in offering products that combine functionality, durability, and high quality, and we are your reliable partner in cleaning solutions that create a more effective and precise workflow.
